Online donations can be made at <https://www.walkingfordreams.org/Donate.aspx>.

**Walking for Dreams** is a 5K Family and Pet Walk that began in 2004 to help local Indianapolis non-profit organizations raise needed funds to enable them to do more of what they do so well - serve the youth and families. In 2016 the walk expanded to the Evansville area.

Thanks to the generous sponsorship of local corporations, all checks turned in by the walkers should be made out to your chosen non-profit and will be given directly to the selected organizations and are 100% tax deductible. The Sycamore Foundation is a local organization that administers the Walking for Dreams event.
